Donovan Tatum,

If you need to know my background, or anything about me, look in the folder titled “NEGROES” and you can sift through those letters. As far as Cancer, there is a lot of information in various folders for the natural biological cancer cures and diets.

If you need to know about me, look in the folder titled “NEGROES” and there are a number of letters sent to people who should be more responsible in helping Black People, or humanity in general.

As far as AIDS is concerned, organizations like Black AIDS Los Angeles, Act Up and others are caught up for the money and controls of those who profit from illness. In the Folder Negroes read the letter to Tyler Perry to better understand the Truth why people are not helped?

Defining AIDS and its Natural Biological Cure, or Remedy, look at the Video, The Strecker Memorandum, a 96 min. Video and read the book Olive Leaf Extract by Morton Walker.

Briefly, AIDS is a Man-Made Genetically Engineered Disease. Inside the Human Body AIDS is in an RNA Form and needs a Protein Enzyme called “Reverse Transcriptase” for the AIDS to Transcribe, or Copy itself into the Human DNA, after entering a Cell, which AIDS Replicates itself within the persons DNA. So every person who has AIDS has their own version of the Disease. The Natural Biological Cure is “Olive Leaf Extract”, which Blocks, or inhibits the Protein Enzyme Reverse Transcriptase from being available for AIDS to replicate. Hope that helps you better understand the Truth About AIDS

Sincerely,
